DEAR NEW GIRL:

Montreat? Before long that name will means to you the most beautiful scenery and the friendliest girls you have ever known. Montreat is only eighteen miles from Asheville and three miles from Black Mountain (though it may seem miles and miles farther that first trip), in the heart of the Blue Ridge Mountains. You'll go hiking into Black Mountain to the shows and to shop when hikes go in. Those streams and woodland trails make hiking or picnics a dream, too.

However, it's not the location, nor the scenery, nor the climate that makes Montreat dear to everyone's heart but it's a thing called "spirit". Little enough though it may seem that is what **makes** our school. The enthusiasm we show towards everything, be it great or small, will soon impress you. You too will have this feeling, so let's start off right and learn the Alma Mater. The yells and others will come natural.

Don't be discouraged if your rooms don't look so well at first because a little ingenuity and originality in the way of fixings will make them really seem like home in no time.

The old girls will be only too glad to help you find your way around and by all means use your "big sister". She'll be tickled to death to tell you all about everything because she remembers how she felt last year. Don't hesitate to ask her anything that puzzles you. And remember, we're **all** your friends.

The title Montreat Girl which you will soon assume really means something. It means a good sport, a girl with high ideals and good standards who wants to take part in things and do her share. She upholds everything the school stands for and believes in Montreat with all her heart. This is the type of girls you will find here, and we hope that you, too, will live up to all Montreat expects of you and learn to love it as we all do.

We are looking forward to seeing you and having you as a new member of our student body, and we hope you will have a happy and successful year with us!

Sincerely,

Barbara Stephenson.

In order to give the student body a "hand" in its own governing, and believing it to be the best way of learning to observe, cultivate, and put into practice the rules and proprieties of life which make the individual a responsible and useful member of society, we are a body known as the Student-Faculty Government Association of Montreat College. As soon as one has registered, she becomes a member of the Association and thereby assumes the responsibility of conducting herself, to the best of her ability, according to the rules and regulations laid down by this Association.

The rules and regulations of the school have been made after much consideration for the betterment of the school and for the benefit of the individual. When you enter a school with a number of other girls, you must become used to some rules that you did not have in your homes. In order to become a success at Montreat, you must become a successful citizen of the school. Carry out the rules to the best of your ability; you will find that they are all for the best.

ARTICLE 7

CLASSIFICATION SYSTEM

Section 1.

The Student-Faculty Government Association has adopted a classification system whereby students shall be given certain privileges according to their merit. The system is based upon 100 points divided as follows:

Grades	20	points
Deportment	50	"
Neatness	10	"
Participation	10	"
Attitude	10	"

Major and minor points are given as penalties for the abuse of regulations. These are subtracted from the "50" on deportment, and thus a student's rating on deportment is determined. "General attitude" includes attitude toward class work, toward regulations, toward the general activities of the college. "Participation" means acceptance of individual responsibility as a member of a committee, a team, a club, or any organization. "Neatness" includes the appearance of one's room in the dormitory as well as one's personal appearance.

Students who receive 90 or more points are on first class. Students who receive 85 to 89 points, inclusively, are on second. Students who receive 80 to 84 points, inclusively, are on third.

Students who receive 75 to 79 points are on fourth. Students who receive a classification below 75 are on restriction.

The Campus.

The campus includes and is bounded by the following: the lawn in front of Alba and Anderson Auditorium to the bridge below the dam, including the tennis court; the paved road around the lake but not below the foot bridge across the dam; the road back of Gaither by the Infirmary, College Hall and Dr. Spencer's house but not beyond any of these.

The extended campus has the following limits:

Main road by the store to the soccer field, the road back of the store, road to Mr. Bauman's by Lookout Lodge and Dr. Anderson's house, Kentucky road to Lester Cottage, Graybeard Road to the second bridge.

Privileges, Rules and Regulations

The following rules and regulations have been made as a result of some need and are not meant to be in any case mere arbitrary restraints. Some have been made that the living together of the whole group might be more pleasant and harmonious; some that studying might be easier; some for actual physical protection and safety; and some for better cooperation between the college and the homes of the students. The college feels that each student is responsible not only for observing the rules herself but for helping others observe them.

For the violation of any regulation a major or minor may be given by any faculty member, student congress member, or monitor, or if reported to the assistant dean, by any member of the student body. Violations are to be reported to the office in written form, with the name of the offender, the nature of the offense, the date and the signature of the person reporting.

5. Radios are not to be played before the first bell in the morning.

6. If possible students are to attend to all library assignments during the day and are not to go to the library unless permission in writing is sent from the teacher concerned to the house mother.

must be worn to all meals except Monday breakfast and lunch.

4. Prayers are held in the dining room every night after dinner except Sunday and Wednesday.

6. The hostess (either faculty or student) is to be served first and shown the courtesy due her.

7. No food, dishes, silver, or salt and pepper shakers are to be taken from the dining room.

8. Students should not ask to be excused from the table before the announcements have been made in both dining rooms.

9. To avoid as much confusion as possible, students are not to speak to students at other tables unless it is necessary to do so in regard to an announcement. Get permission from the hostess to do this.

10. Students are asked to go directly to their assigned tables and not to congregate in the aisles, as this hinders waitresses and others entering the dining rooms.

11. Report to the dining room hostess when you are expecting a guest and purchase a meal ticket from the cashier.

D. CAMPUS

1. Students may walk on the extended campus in groups of two by signing out.

2. Permission to visit in Montreat or Black Mountain or to shop in Black Mountain must be obtained from the house mother or the assistant dean.

3. If not on an organized hike students must obtain permission from the house mother to walk **off the extended campus.** There must be at least **four** in such a group.

4. When going away from college for week end, sign up at desk of assistant dean by Thursday, if possible, before the week end is taken. Written permission from parents or guardians must be on file and should be sent directly to the office. Unless special arrangements are made before leaving, students are expected to return from week end visits by the beginning of study hall Monday. from the college each semester. Report to house mother when leaving.

8. Shorts are not to be worn on the campus and in the lobbies, in the Administration Building, or to the store, but only on the tennis courts, athletic fields, gymnasium and on mountain hikes and picnics.

9. On Sundays students are to remain on the immediate campus.

10. Students may have "general permission" if it is the wish of their parents or guardians. This must be in writing and must be sent directly from the parent or guardian to the college office. Such permission includes receiving callers, riding with friends if mature person is in the group, having young men visitors, accepting invitations to lunch or dinner, and participating in any group activity or trip permitted by the college authorities. Students must have a special permission to leave the campus for the week end or any part of it.

Each student is to call for her own mail only and at the specified time and place. If at any time it is necessary to go to the Montreat Post Office, get permission from your house mother.

8. Our standards do not permit social dancing, use of tobacco in any form, or card playing.

9. Chewing gum is not to be used in classes or public places.

10. Three tardies to one class are equivalent to one cut and may also warrant a major.

11. Students are asked not to call or talk from the windows of dormitories.

12. Permission to make long distance calls must be obtained from the Assistant Dean (or in her absence from the House Mother). Such calls are to be made over the pay telephone. Have change ready. For patriotic reasons, do not make long distance calls unless necessary. The telephone company has asked us to "Stop! Think! . . . . Help keep lines and central offices clear for war business." No calls purely for social conversation are to be made between dormitories or to the infirmary.

13. When engaged in scheduled recreational activities on the athletic fields or when on an organized hike, students need not sign in dormitory book.

1. Students may walk on extended campus in groups of two by signing out, and for longer hikes in groups of five or more with permission from house mother and by signing out. On Sundays students are to remain on the immediate campus except for groups of five or more who wish to go for longer hikes. Any such group is to sign up and get permission from the house mother.

2. Permission to visit in Montreat or Black Mountain, or to shop in Black Mountain must be obtained from the assistant dean or house mother.

3. When going away from college for week end, sign up at desk of assistant dean by Thursday, if possible, before week end is taken. Written permission from parents or guardians must be on file. This permission is to be sent directly to the college office, not through the student's mail. Unless special arrangements are made before leaving, students are expected to return from week end visits by 7:30 p.m. Monday. Students are also to sign in dormitory book upon leaving and returning. Students may spend two week ends away from the college each semester. Students who do return late from a week end trip and who have not given advance notification of their late arrival and a valid reason for it must forfeit their next week end (or an equivalent of a week end).

4. Students on first class may go to the picture show in Black Mountain when such trips are arranged.

5. Trips may be made to Asheville on Mondays four times during a semester. Students may go about town in groups of two, but must be accompanied to and from town by a chaperon and must meet the chaperon during the day at such times as she may designate.

6. Students may go to the Montreat Store when convenient. Sign in the dormitory book when leaving and returning. Do not loiter around the store and return to the dormitory within 45 minutes after signing out.

7. Shorts are not to be worn on the campus, in the Administration Building, or to the store, but only on the tennis courts, athletic fields, gymnasium, and on mountain hikes. Skirts must be worn to and from the tennis courts, the athletic fields and the gym.

8. Students may have "general permission" if it is the wish of their parents or guardians. This permission must be sent directly from the parent or guardian to the college office. Such permission includes week end visits, having "dates," riding with friends if a mature person is in the group, receiving callers, and participating in any group activity or trip permitted by the college authorities.

E. MISCELLANEOUS

1. A student must make arrangements with the assistant dean before taking class "cuts."

2. All students are expected to attend Sunday School, Church, Y.P.C., and Prayer Meeting.

3. Hats must be worn to church except by choir members.

4. Socks or hose must be worn to classes. Hose must be worn to church and to Asheville, and when leaving for a week end visit. Socks are not required when a student is participating in a game on the Athletic Field.

5. Students expecting visitors (including "dates") should report to the assistant dean and house mother the names of visitors and time of expected visit.

6. Students are not permitted to go riding on Sunday afternoons except with parents or guardians. They may go out for meals if proper arrangements are made with the assistant dean.

7. Students are not to enter the Montreat Post Office or to mail letters there, but are to use the box provided

for that purpose in Gaither Hall. Each student is to call for her own mail only and at the specified time and place. If at any time it is necessary to go to the Montreat Post Office, get permission from your house mother.

8. Our standards do not permit social dancing, card playing, or use of tobacco in any form.

9. Chewing gum is not to be used in classes or public places.

10. Three tardies to one class are equivalent to one cut and may also warrant a major.

11. Students are asked not to call out of the dormitory windows.

12. Permission to make long distance telephone calls must be obtained from the Assistant Dean. Unless the charges are reversed, such calls are to be made over the pay telephone. Have change ready.

13. When engaged in scheduled recreational activities on the athletic field or when on an organized hike, students need not sign up in the dormitory book.

14. Sacred and classical music only are to be played on Sunday.

15. Do not be boisterous at any time on the dormitory halls.

16. First class first year students may have dates four times a semester; second year students six times a semester. Dates must leave by 10 p.m.

17. Students making **special** trips to Asheville must pay all expenses of their chaperon.

18. Students are regarded as being under the direction of the college and subject to the rules and regulations, on all trips to Black Mountain and Asheville.

The Classification System

In order that those students who prove themselves efficient and trustworthy may take advantage of all possible privileges without being restrained by the conduct of the less efficient and trustworthy, the classification system described below has been devised.

At the beginning of school all students are on first class and remain there for the first term unless some misdemeanor warrants their being placed on a lower class. College students are classified every nine weeks; senior high school every four weeks; junior, sophomore and freshman high school every three weeks.

Privileges According To Classification

SPECIAL PRIVILEGES FOR STUDENTS ON THE HONOR ROLL

Those students, both high school and college, who make all "A's" and "B's" on their report cards and who receive not more than two majors are placed on the Roll of Honor for that term. During the next term such students, if they are on first class also, may have the following privileges:

1. May attend the picture show at night in Black Mountain once every two weeks.
2. They may take an additional week end away from college.
3. They may have an extra "date".

Honor certificates are awarded at commencement to those students who meet the following requirements: receive an average grade of B on each subject each semester, with no term grade or exam below C (the B grade cannot be an average of two B's and a C); receive not more than five majors a semester.

Scholarship pins are awarded to those who are entitled to certificates for both college years (on the above basis), or for the last two high school years.

FIRST CLASS STUDENTS

First class students may have the following privileges. Items starred also require parents' permission.

1. Students on first class may go away for week ends according to such regulations.*
2. They may go to Asheville at specified times.
3. They may go out to meals as the occasion arises. (Report to assistant dean.)*
4. They may go to Black Mountain to the picture show or to shop on Monday afternoons.
5. They may spend Saturday and Sunday nights in other students' rooms.
6. They may have dates Saturday afternoon, Saturday night, or Sunday afternoon, and Sunday night.*
7. They may receive other visitors.*
8. They may go riding with mature friends, but must have a chaperon to ride with young men or girls. On Sundays students may go riding **only** with parents or guardians unless they go out for a meal.*

SECOND CLASS STUDENTS

Students on second class have a limited number of privileges.

1. They may go away for week end if to their homes and for some specific purpose.
2. They may go to Asheville to the Civic Music Concert or if some situation arises making such a trip necessary.
3. They may go out to meals in Montreat, or in Black Mountain if with parents.
4. They may receive visitors but may not have dates.
5. They may attend all social functions on the campus.

THIRD CLASS STUDENTS

Students on third class have a very limited number of privileges.

1. They may attend such social affairs as sponsored by a college organization.
2. They may receive parents only as visitors.
3. They may go out once to a meal in Montreat.
4. They may go to the Montreat Store once a week.

FOURTH CLASS STUDENTS

1. Students on fourth class must observe all regulations of third class.

2. They must observe special regulations as established for the individual cases.

STUDENTS ON RESTRICTION

1. They must remain on the immediate campus.
2. They must give up all honors, such as class officers, etc.
3. They are not to visit students in other dormitories at any time.
4. They may have no visitors except parents.
5. They are not to attend social functions except school concerts or plays.
6. They must attend all meals.

A student may be dropped to a lower class at any time for some special misdemeanor.

It is sometimes necessary to place a student on "room restriction". The regulations for this will be posted when necessary.

It is not the policy of the school to keep on its roll those students whose classification is consistently below second class. As a rule at least 95% of all students remain on first class throughout the school year.

Point System

Offices held by the students are valued in points. No student during the year may hold offices amounting to more than 30 points. Students whose scholastic grades are noticeably low should not undertake major offices.

Class Cuts for College Students

Class cuts are based on grades. Not more than those indicated below are to be taken in any one subject during a **semester:**

A	3 cuts
B	2 cuts
C+	1 cut

The grade referred to is the grade received on the report preceding the time when the cut is to be taken.

Grades lower than C+ do not warrant any cuts.

No cuts are to be taken before the end of the first four weeks; at that time a student who applies for cuts may get temporary grades from the teachers of the classes she wishes to cut, and if such grades are C+ or over she may have one cut in each of the classes.

Two excused absences from the same class cancel one cut.

For each cut taken when not due, the student's grade for that subject is lowered one letter on the next term report.

For each class cut without permission the student is given 5 majors.

A test scheduled a week ahead is not to be made up unless the teacher so desires and then only after presenting a slip from the office stating that a dollar has been paid for this privilege. Any laboratory period which needs to be made up because of a cut can be made up after the paying of $1 to the office. Excused cuts do not require the dollar fee.

The student is responsible for making arrangements with the teacher for making up tests or other necessary assignments during excused absences within 2 weeks after she returns to classes unless the teacher rules otherwise.

Cuts are counted double the day before and after a holiday for all those except those whose trip home takes 12 hours or more after classes close and then the cuts are single for those who have not taken any cuts otherwise that semester.

Class Cuts for High School Students

Each high school student may cut each class **once** each semester regardless of grades, though this is not recommended for those students making very low grades.

Students who make all A's and B's and who receive not more than two majors may cut one Saturday each four and a half weeks. The Saturdays which may be cut by these students will be announced later.

For each cut taken when not due, the student's grade on the subject is lowered one letter on the next term report.

For each class cut without permission the student is given 5 majors.

The Young People of the Church of Montreat College is the major religious organization on the campus. Its purpose is to aid every student in Christian living by a four-fold program of worship, instruction, recreation, and service. The Y. P. C. through its activities endeavors to enrich the spiritual life of every student by giving her opportunities to participate and grow in Christian work and fellowship. By means of Sunday evening vespers, through the week activities, such as daily devotional or service projects, and by other avenues, character, initiative, and leadership are developed, enabling the students to advance in effective Christian living. The Y. P. C. strives to have students know and accept Jesus as Lord and Savior, and follow His principles at all times in daily living.

THEME FOR THE YEAR

The Montreat Y. P. C. has for its 1944-45 theme "Seek Ye First the Kingdom of God". The endeavor will be made to encourage the students to pray, to read the Bible, to think seriously, to observe the utmost reverence in the house of God, to advise with Christian friends in order that each may know what God's will is for her life, and to truly seek first the Kingdom of God.

The theme picture is "Praying Hands" by the Hungarian, Albrecht Durer. "God of Grace and God of Glory", the theme hymn, is a magnificent, soul-stirring tune. The first stanza of this hymn is printed below:

God of grace and God of glory,
On thy people pour thy power;
Crown thine ancient Church's story;
Bring her bud to glorious flower.
Grant us wisdom,
Grant us courage,
For the facing of this hour,
For the facing of this hour.

OBJECTIVES

We Believe

1. That God's will for His children is that they live a whole and complete life in close fellowship with Him;
2. That we can establish His Kingdom in all the earth by obeying His command to spread the gospel to every creature;
3. That there is need for growth in Christian living in ourselves, and for trained leadership for the sake of others;
4. That to do His will we must be faithful stewards of our ability, our time, and our money;
5. That there is need for Christian fellowship on the campus and in the larger community in which we live;

Therefore We Pledge Ourselves

1. To pray and study that we may show ourselves approved unto God, workmen that need not to be ashamed.

2. To increase our knowledge of home and foreign missions, and to widen our interest in service in our own community;
3. To support the educational work of the church, to provide opportunities for leadership to those on the campus, and to encourage wide religious reading for Christian growth;
4. To encourage individual and group stewardship through the use of voluntary pledges and a planned budget;
5. To attempt to meet the social needs on the campus and in the community by the encouragement of Christian friendship, by the planning of recreational activities, and by a wider application of the principles of social service wherever the need may be felt.
6. To cultivate a spirit of reverence in God's house.

ORGANIZATION

The Y. P. C. of Montreat College is organized along the Kingdom Highways Plan of the Presbyterian Church. The emphasis, however, is not denominational. Because the student body is composed of representatives of a large number of denominations, we attempt to follow denominational lines only in our broader organization, while we seek to make our emphasis and our program of general interest to all the students.

In this organization a council acts as a "clearing house" for all plans and suggestions. The Council is composed of the president, vice-president, secretary, treasurer, seven highway chairmen, the bulletin board chairman, the music chairman, the assistant vice-president, the Sunday School class presidents, and one adult adviser.

The Sunday School classes are the working units of the Y. P. C., and it is through them that the four-fold purpose of the Y. P. C. is carried out. The individual classes present Sunday vesper programs, carry out various social projects, and do any Christian service for which they see a need.

The Highways correspond to the departments of work

in the church as follows: Spiritual Life and Evangelism, Foreign Missions, Home Missions, Religious Education and Publication, Christian Education and Ministerial Relief, Stewardship, and Comradeship or Social Service. All of these work together to provide a well-rounded program.

The executive officers are elected by popular vote of the student body, and the rest of the council is chosen by the executive officers with the advice of adult advisers.

ACTIVITIES

On Sunday nights the Y. P. C. has vesper services. The students plan and carry out these programs, the aim being to give an opportunity to every girl to participate. The subjects are varied, planned to fit individual tastes. Programs often are plays, pageants, song services, or discussion groups. When the weather is fine, a service is held on the lawn by the lake. At other times, services are in the worshipful atmosphere of beautiful Gaither Chapel.

One of the favorite types of programs is the candlelight service. The installation of the new council in the spring is an especially impressive example of this.

Since Montreat is the home of many missionaries and since Asheville is only a short distance away, it is easy to secure guest speakers from time to time.

In other weekly programs, an attempt is made to stimulate thinking on topics vital to intelligent Christian young people and to hold before them ideals that can be put into practice in everyday life.

Morning Watch

Morning Watch was started at the request of the students for the purpose of encouraging daily devotions. It is a ten minute worship service which begins at the warning bell for breakfast. When the weather permits, it is held outside. Those who attend feel that the whole day is better because of this time spent with God.

PRAYER SERVICE FOR ARMED FORCES

Sunday Morning Worship Services

On special occasions, such as Rally Day, Thanksgiving, Foreign and Home Mission Days, and Children's Day, the

young people often take charge of the opening worship service of the Sunday School. These services attempt to aid students in true worship and lead them into deeper and fuller Christian lives.

Retreats

Each year the Y. P. C. Council has two retreats. They last all day, and are held out of doors, the council members cooking their own lunch over a camp fire. In the fall, they develop their plans more fully and seek inspiration and guidance for the school year before them. At the spring retreat the new council looks honestly at the work of the past year and makes plans to attempt improvement in the coming year. Often at these retreats there are week-end visitors who bring new ideas to the council. Always there is never-to-be-forgotten fellowship, which helps the council to help the student body.

Guest Speakers

Since Montreat is the Presbyterian Conference ground, we are often able to secure the best speakers during the school year. We have the privilege of having with us from time to time eminent personages in the fields of music, medicine, education, home making, and religion.

Returned missionaries and citizens from foreign countries visiting Montreat are often our guest speakers. We are further honored in that some of these outstanding people make their homes in our midst. Thus, we daily come in contact with those who are best enabled to mold our character and give us a vision of the world's need.

Bulletin Board

At the entrance to Gaither Chapel, there is a bulletin board belonging to the College Y. P. C. This bulletin board is one of the means of keeping the students in touch with the current work of the Y. P. C. and of challenging them with a variety of provocative and worshipful thoughts. The chairman of the bulletin board seeks to carry out this purpose by means of pictures, posters, verse, current events, etc.

Financial Program

The financial program of the Y. P. C. is built upon two principles: training in systematic giving as an act of

personal stewardship, and group expenditure of funds in keeping with our understanding or our part in the program of Christianity.

Thus each student is urged to pledge a weekly or monthly sum in keeping with her income and interest in the Y. P. C. work. A budget is prepared by the council and presented to the students for amendment or approval. This budget includes such things as Foreign Missions, Home Missions, Christian Education, and Religious Education, which are a part of the work of the church as a whole; and also a number of campus and community service activities to be planned and executed by small groups of students as the occasion and desire arise in the Sunday School classes.

Social Service

Christian social service is an important part of the work of the Young People of the Church. Various projects provide ways for the Montreat students to turn their knowledge and good intentions into effective deeds and action. These are carried out through the Sunday School classes, and each girl is given an opportunity to participate in at least one. A few of the past worthwhile projects have been:

1. Visiting shut-ins here in Montreat.
2. Writing notes to the girls in the infirmary.
3. Making favors and gifts for the Western North Carolina Tuberculosis Sanatorium.
4. Collecting magazines and pictures for the infirmary rooms.
5. Collecting bottles for the infirmary.
6. Providing Easter egg hunt for children of the colored mission.
7. Sending baskets and other gifts to the children at the Orphanage.
8. Repairing choir music.
9. Teaching in outpost Sunday schools.
10. Making joke scrapbooks for the infirmary.

Recreation

By wholesome recreation and fellowship the Y. P. C. seeks to aid students in Christian living. Play does a

great deal to foster Christian fellowship and establish good will and friendliness on the campus, and in so doing it is as definitely "religious" as any other activity of the church. At the beginning of the year the Y. P. C. assists in welcoming the new girls, and takes part in the orientation program with a social get-together of some sort, including a special feature "The Festival of States". Other recreational activities are planned throughout the year. These provide for Christian growth and for an expression of Christian ideals. They offer Christian fun and fellowship, a worthwhile end in itself.

HIGH SCHOOL Y. P. C.

For the sake of providing additional opportunities for training in worship and in service, the high school students have organized a completely separate Y. P. C. In general the high school Y. P. C. follows much the same plan as that of the college Y. P. C. in its theme, objectives, organization, and activities. It has a council and program of its own, however, and makes a very real contribution to the religious life on the campus.

A special project of the high school Y. P. C. for the past years has been that of providing for the support of a boy in Mountain Orphanage. The students pay five dollars each month to the Orphanage to be used for a boy whom they have chosen for adoption. The students are encouraged to make pledges to the Y. P. C. They are presented an envelope for each Sunday night's offering. Other service projects such as buying lamps, giving magazine subscriptions, and painting tables for the infirmary, are carried out as the Sunday School classes plan them.

During the year the High School Y. P. C. organization plays an important part in certain outstanding programs and activities such as the Christmas pageant and Easter services. It also takes part in morning watch, prayer groups, and in services of prayer for men in the service.

PIONEERS

This is the intermediate division of the Y. P. C. This group is composed of the students in the seventh grade and those in the first year of high school.

The Pioneers meet each Sunday afternoon. There is always a devotional, and an inspirational program. The executive committee is composed of the four officers. Officers are elected in September to serve until Christmas; then new officers are elected in January to serve until May.

Hiking Club

Have you ever struggled up a mountain and then slid right back down to where you started? Have you ever had the thrill of standing on the summit and looking out over the world? Have you ever fried eggs or hamburgers on a rock and smelled coffee as it brewed over a blazing fire? Well, whether you have or haven't, get ready for a big time in Montreat, and join the Hiking Club.

"M" Club

The Monogram Club is one of the most active, the most honored, and the most fun on the campus. Let's go out and win our "M". All you have to do is to be a good sport and go out for all athletic activities and you, too, will be one of our proud wearers of the Blue and Gold.

INFORMATION PLEASE

Concerning Hikes

Bring shorts, sweaters, jodhpurs, jeans, or slacks, heavy jackets, thicksoled walking shoes. For breakfast or supper hikes, you will need tin plates, cup, spoon, and flash lights.

Concerning Sportsmanship

"It is not whether you win or lose but how you played the game."

THE VOICE OF EXPERIENCE

Dear Montreat Girl:

In order to make friends and get along with the other girls we must have good sportsmanship, and there is no better place than Montreat to learn how to be a good sport.

Maybe you have wondered what kind of sports we have, how they are carried on, etc. Here are just a few hints. If you like to hike there is lots of fun in store for you. Besides the scheduled hikes to Black Mountain each Monday afternoon to the picture show and to shop, there are supper hikes planned for each Saturday night. Have you ever had the thrill of walking in the clouds? If you haven't be sure to get in the Hiking Club so you can go on the two outstanding hikes of the year, the Fall Hike and the Spring Hike.

On entering Montreat you become a member of the Montreat College Athletic Association. Then you become a member of one of the four tribes. There's a friendly spirit of competition between these tribes so come on out and root for yours, whether it be Choctaw, Hiwassee, Cherokee, or Mohawk. Be loyal to your tribe; go out for all the games whether they are tennis, soccer, indoor sports, basketball, volleyball, or baseball.

Make it a daily habit to consult the Athletic Bulletin Board, and you will always have somewhere to go and something to do.

If you have any suggestions or criticisms of the Athletic Association, take them to those who appreciate them, the members of the Athletic Board. These girls make it their special job to create interest in sports, so bring with you a friendly smile and a cheerful disposition and help us with our job, keeping up the Montreat spirit.

"Give to the world the best you have and the best will come back to you."

Student Publications

STAFF FOR 1944-1945

Editor-in-Chief ..... Mabel Lee Wells

Literary Editor ..... Hallie Park

Business Manager ..... Mildred Bailey

Chairman of Production ..... Coleen Dent

The **Dialette** is the official monthly publication of Montreat College. This newspaper, published by the Staff of Student Publications, forecasts and records the campus happenings. We think you will enjoy both the news articles and the special features. Your **Dialette** can be your diary of fun and events at Montreat.

To preserve those never-to-be-forgotten times in college, too numerous to remember, is the aim of the Staff as it plans and prepares the **Sun Dial.** It is the result of their effort and sincere desire to embody in the **Sun Dial** the true meaning of its motto, "We only count the hours that shine."

Both of these publications are paid for by a Student Activity Fee of $3. By paying this fee promptly at registration, you will be sure of receiving the first edition of the **Dialette.**

It is the desire of the Staff of Student Publications that your life at Montreat may be broadened and enriched by its services through the **Dialette** and **Sun Dial.** It welcomes all constructive criticism—in other words, if you like the publications, tell everybody; but if you don't, tell us.

The other members of the Staff will be chosen in the fall. If you like this kind of work, you are qualified to try out for any of the positions on the Staff.

Part V
Other Student Organizations

The Stamp Club

The Stamp Club has been organized for those who are interested in collecting and studying stamps. The club meets every three weeks. At these meetings, programs are presented and stamps exchanged among the members. Miss Webb and Miss Hoyt are the sponsors.

"M" Club

The Monogram is **the** honorary athletic organization on our campus and is really the most fun of all. To become a member, all you have to do is be a good sport and go out for all athletic activities. So, come on girls, let's join the proud ranks and wear the Montreat "M".

Dramatics

Instead of a Dramatics Club we have a class in dramatics which meets for an hour twice a week. A study is made of the voice, the body, characterization, and stage technique. Several plays are presented during the year. A fee of 50 cents is charged. Miss Elizabeth Hoyt is teacher.

The United Youth Club

The United Youth Club was organized by the French, Spanish, and Latin Departments to give the foreign language students an opportunity to learn informally of the customs, language, and literature of those nations.

The Bio-Chemist Club

The Bio-Chemist Club is composed of those students who have at least a "B" average in Science. This club was organized to promote interest in those phases of science which ordinarily are not included in the curriculum. The programs present a wider field, and give valuable and interesting facts from science which are not included in the regular classwork.

The Lydian Club

The Lydian Club is the student organization of the Business Education Department. It is the namesake of the Biblical business woman, Lydia, who was a seller of purple. Its purpose is to give to its members both "educational fun" and programs which awaken the students to real standards and activities in business life. Trips are taken to business centers; outside speakers are invited to address the club.

The Music Club

The Music Club is composed of students taking piano or voice from Miss Mary P. Lord and Miss Elizabeth Woodhouse. The purpose of the club is to embed in the students a deeper appreciation of music and to furnish opportunities for participation in musical programs, consisting of instrumental and vocal numbers. Any who are not studying music may join as associate members.

The Nightingale Club

"To love; to serve; to better," is the motto of the Nightingale Club. Under Miss Lucy Grier, sponsor and nurse, the girls who are planning to become nurses are drawn more closely together. The club members have as their aim not only to stimulate an interest in nursing as a career through lectures, skits, and demonstrations, but also to better their personal health, and the general health of the school. For this reason others than potential nurses may join if they wish.

Montreat Church Choir

The regular Montreat Church Choir, under the direction of Miss Elizabeth Woodhouse, who is voice teacher, is open to all college students with a pleasing voice and a true ear who are appreciative of cultural advantages.

The Glee Club

The Glee Club is composed of students in the High School Department who have a pleasing voice and trueness of ear, and who are interested in learning to sing choral music. Part singing is stressed and good musical literature of different types is studied. The Glee Club appears on various programs during the year. It is under the direction of Miss Woodhouse.

Kappa Pi Beta Club

The Kappa Pi Beta Club is a literary club, membership in which is granted upon the presentation and approval of some original story, poem, or essay. The object of this organization is to encourage the appreciation of good literature and the development of creative work on the part of its members. The sponsors of the Kappa Pi Beta are Miss Nannie G. Watkins, and Miss Lula McClure.

Part VI School Songs

ALMA MATER

Tune: Believe Me If All Those Endearing Young Charms.

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered a while
All thy gifts and thy blessings to share.
So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

M-O-N-T-R-E-A-T

M-o-n-t-r-e-a-t, Montreat! Rah!
Our Montreat College, we'll sing to you,
Pride of Carolina's land,
We love you, yes, we do, dear Montreat.
Long may we cherish thee,
Love and adore.
Sing praise and honor for ever more.
Oh, see those girls of Montreat
A-standing in a line,
And all of them are mighty, mighty fine,
They know just how to work there;
They know just how to play,
Oh, Montreat girls, we'll cheer you ever time!
Now Fassifern's not slow;
Flora MacDonald's on the go;
And Winthrop's mighty, mighty fine;
But give us, oh, give us,
Oh, how I wish you would,
That dear old Montreat College every time!

MONTREAT GIRL

Now when a Montreat girl walks down the street,
She looks a hundred per from head to feet—
She has a word, a smile, a winning way, and
When you see her, boy, you'll recognize her and you'll say—
Now there's a girl I'd like to know,
She has that Montreat spirit, pep, and go,
And just to look at her is quite a treat,
It's hard to beat,
A MONTREAT GIRL!

BLUE AND GOLD

Blue and gold of old Montreat,
With love for you our hearts will beat—
A candle light shining wher'ere we dwell,
To the friends that we all love so well—
We're thankful for skies of blue,
The breeze that whispers its love to you,
We hear their voices calling,
With love enthralling—
O DEAR MONTREAT!

COME ON MONTREAT

Come on, old Montreat, for we want you to win,
Cross that goal and back again.
Tackle that girl like a cone of cream,
And strut your stuff for the Montreat team.
Chorus:
Montreat College, fighting for the finish,
Montreat College, never say die.
Montreat College, fighting for the finish,
We're all here and we'll all stand by.
Look at that girl just a 'running up the place,
Look at those frowns all over her face,
Guess she knows that we're going to win,
So giddy-up, Montreat, and do it again.

MONTREAT

Montreat, we're always thinking of you,
Montreat,
We'll tell the world we love you.
Don't forget we're yelling for you.
We will play, and sing, and dance and everything
For Montreat,
You are our inspiration; days are never blue.
And after all is said and done,
There is really only one.
Oh Montreat College, it's you!

CHEROKEE TRIBE SONG

We're loyal to you Cherokees,
We're steadfast and true Cherokees.
We'll back you to stand
'Gainst the best in the land,
'Cause we know you've got the game, Cherokees.
Rah! Rah!
So get in that game Cherokees,
Go fight in the same Cherokees,
Our tribe is our fame protector
On girls for we expect—a victory from Cherokees.
Rah! Rah!

CHOCTAW TRIBE SONG

We are the Choctaws
We're out to win,
We've got the vigor
We've got the vim,
If you're out to see a wow
Well, come on now, gang,
We'll show them how.
For when we play
The game is a cinch,
We leave the others
Warming the bench,
Here's to victory,
Rah, Rah,
And here's to our tribe, Choctaw.

MOHAWK TRIBE SONG

Mohawks all fall in line,
  Fight for Montreat,
Take your place on the field
  And let your motto be-e-e-e
Lose no—no never,
  Fight to the end,
Roll up the score today
  And fight the others
Fight them till we win
  Rah! Rah!

HIWASSEE TRIBE SONG

Over hill, over dale
As we hit the grassy field
The Hiwassees go rolling along,
Up and down, in and out
And reverse the field about
The Hiwassees go rolling along.
So it's Hi-Hi-He
In Hiwassee Varsity,
Shout out your yells loud and strong,
Rah Rah
For where 'ere we go
We will always know
The Hiwassees go rolling along.

Commencement Songs

PROCESSIONAL

The children of the King are we,
The children of the King;
His emblem bearers we would be,
And so his banner bring;
Its colors gleam all gloriously,
As forth its folds we fling;
The children of the King are we,
The children of our King.

O heed with us the happy call
To worship of our King.
Come join us in His temple all
Who hear His church bells ring;
Your souls shall feel His blessing fall,
And know His comforting;
O heed with us the happy call
To worship of our King.

The earth, it is His garden fair,
The garden of the King;
Where flowers and little children share
His love for everything;
The whole wide world lies in His care,
Beneath His brooding wing;
The earth, it is His garden fair,
The garden of the King.

Our lives are links of years and days.
Wherein to serve our King;
Like Him, to help in loving ways,
While homeward journeying;
Our lives, our lives, shall sing His praise.
As now our voices sing;
Our lives are links of years and days,
Wherein to serve our King.

The music for this was composed by Mrs. Crosby Adams.

RECESSIONAL
BRIGHTLY GLEAMS OUR BANNER

Brightly gleams our banner
Pointing to the sky,
Waving wand'rers onward
To their home on high.
Journeying o'er the desert
Gladly thus we pray;
And with hearts united
Take our heavenward way.

Jesus, Lord and Master,
At Thy sacred feet,
Here with hearts rejoicing
See Thy children meet;
Often we have left Thee
Often gone astray;
Keep us mighty Saviour,
In the narrow way.

All our days direct us
In the way we go,
Lead us on victorious
Over every foe;
Bid Thine angels shield us
When the storm clouds low'r
Pardon, Lord, and save us
In the last dread hour.

Then with saints and angels
May we join above,
Off'ring pray'rs and praises
At Thy throne of love;
When the toil is over
Then come rest and peace,
Jesus in His beauty,
Songs that never cease.

Refrain: Brightly gleams our banner
Pointing to the sky,
Waving mortals onward
To their home on high.

MAY DAY SONG

She comes, she comes, our radiant queen,
And joyfully we sing.
She spreads the hills and fields with green,
Our lady of the spring.
Let all the universe rejoice,
Upon this gladsome day,
And spread the tidings with one voice,
'Tis May, May, May!
'Tis May, May, May!
Winter winds are far away,
All the earth is bright and gay,
And joyfully, again we say,
'Tis May, May, May!
